(Stock Code: 1229)

PROFIT WARNING

This announcement is made by Nan Nan Resources Enterprise Limited (the “**Company**”, together with its subsidiaries, collectively the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders and potential investors that based on the preliminary review of the latest unaudited consolidated management accounts of the Group, the Group would be expected to record an increase in loss of approximately 44.3%, from HK\$20.78 million for the six months ended 30 September 2020 to approximately HK\$29.98 million for the six months ended 30 September 2021 (the “**2021 Interim Period**”). The final figures of the loss of the Group for the Interim Period are subject to adjustments (if any) to be made under applicable accounting principles.

The loss of the Group for the 2021 Interim Period was mainly attributable to the adjustment of fair value of the zero-coupon convertible bond issued by the Company to be matured on 13 March 2023 with an aggregate principal amount of HK\$200,000,000 (the “**Convertible Bond**”), so that fair value loss of approximately HK\$45.3 million would be expected to be recorded (for the six months ended 30 September 2020: approximately HK\$1.86 million fair value loss). The fair value of the Convertible Bond as at 30 September 2021 would be expected to be approximately HK\$216.6 million.

However, the Group expects that as compared with the corresponding period from last year, the Group’s revenue may increase by approximately 370.4% and the Group may experience a turnaround from gross loss of approximately HK\$4.1 million to gross profit of approximately HK\$43.3 million for the 2021 Interim Period, respectively. Excluding the extraordinary fair value loss in relation to the Convertible Bond, the Group expects to record an increase in net profit attributable to owners of the Company.

The Company is still in the course of finalising its unaudited consolidated financial results of the Group for the 2021 Interim Period. The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts and the information currently available to the Board. As at the date of this announcement, such information has neither been confirmed nor reviewed by the auditor of the Company or the audit committee of the Board and may be subject to change.

Shareholders and potential investors are advised to refer to the interim results announcement of the Group for the 2021 Interim Period when it is published. Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
